Since its establishment in 2004 at London, UK, WorldFirst has been committed to providing better payment services for small and medium-sized companies globally. Now it has 500,000 customers worldwide and handled a capital transaction of over 70 billion GBP (data statistics as of 30th September 2020). Having joined the Ant Group as one of its main members, WorldFirst will continue to work with local licensed organizations to provide cross-border e-commerce sellers and small to medium-sized companies with faster, more convenient, safe and affordable cross-border collection services.
